Pope Francis - August 2018

When speaking of families, often the
image of a treasure comes to my mind.
Today's rhythm of life, stress, pressure
at work, and also the little attention
paid by institutions, could put them in
danger.

It's not enough to talk about their
importance: it's necessary to promote
concrete means and to develop their
role in society with a good family
policy.

Together, let us ask Jesus that any far-
reaching decisions of economists and
politicians may protect the family as
one of the treasures of humanity.

LivingBread

Come follow me
I'm the truth way and life
I am the living Bread

I Am the Light
I'll send my Spirit
To live within you
I'll be your guide
I make all things anew

I've labour in my Kingdom
For you my adopted child
To serve others humbly
Eagerly with a smile

I'll teach you how to pray
For my Kingdom to come
and the good deeds you do
My grace gets them done

Ask Me living Bread
And it shall be given
That you may be fed

My friend, my brethren
"Come. Ask, seek, and knock"
I'll open wide the door
Anything you ask, in my name
On my word, you'll have for sure

Sharon Lagueux
